Tasting Table, a digital publication devoted to eating and drinking well, serves up the “best of food and drink culture” every day to a growing subscriber base. Recently, editors from Tasting Table developed [Oregon’s Tastiest Trails](http://www.tastingtable.com/oregontrails) (www.tastingtable.com/oregontrails), a guide to their favorite epicurean experiences around our great state. Check out what the Tasting Table editors have to say about _____ (region name) culinary adventures here (choose one)
